SCHOLARSHIP AWARD

The Cecilia Moy Yep Scholarship Fund was established in 1994 and awarded to deserving female Asian American high school students, who through their sustained service and leadership, have made a positive and lasting impact on community and who will attend a four-year or two-year accredited institution of learning.

Proceeds from the annual event have supported the Cecilia Moy Yep Scholarship Fund for needy Asian American students pursuing higher education. AAWC will announce scholarship winners in May so that the recipients may be honored at their high school graduation ceremonies. Award presentation will take place at our 28^h Annual Fundraising Banquet on Friday, June 12, 2015.

OUTREACH PROGRAMS

AAWC initiated new outreach programs in the past years to address the challenges, changing needs and issues facing the Asian American women population. These programs include: multi-lingual financial literacy classes, business support, health workshops, cultural and social programs, mentoring, and professional development programs (e.g. SMARTIES series on financial aid for college students, gambling addiction and stroke prevention etc.). Our 2014 conference in collaboration with the U.S. Department of Labor Women’s Bureau and PECO “*Speaking Up and Speaking Out for SMARTIES*” was a huge success. We are looking forward to hosting our 2015 conference on life transitions and transformations.
